To Whom It May Concern:

I am writing to confirm that MCRL Overseas Printing has been my main printer since 2007. In fact the first book I had printed professionally was printed by MCRL.

Over the years, Mankit Chan has walked me through various processes and has always made himself available to resolve any issues as they arose.

My company has published over seventy titles now, most of them printed by MCRL.

I'm happy with the quality of the printing and plan to use MCRL again very soon.

I have referred several clients to them over the years and will continue to do so.

Please do not hesitate to contact me for further information.

Sincerely,

A handwritten signature in black ink that reads "AKoyama". The signature is fluid and cursive.
